## COMPASSES, HEIGHTMETERS, CLINOMETERS FOR PROFESSIONAL USE

**Retail Price List**  
**1<sup>st</sup> November 2004**  
(Includes GST)

<b><u>'CLINO MASTER' HEIGHTMETERS</u></b>		<b><u>RRP</u></b>	<b><u>Suunto equiv</u></b>
CM 1015/2025 LA	Lensatic. Height scales for 10, 15, 20 & 25m distances from object to be measured	198.00	PM-5/1520 (15/20m only)
CM 1015/2025 LA REL	As above, but fitted with Relascope for estimating forestry timber volumes	229.90	N/A
CM 2015% LA	Lensatic. Height scales for 15 & 20m distances from object. Plus 0 -150% scale	198.00	N/A
CM 2015 DEG LA	Lensatic. Height scales for 15 & 20m distances from object. Plus 90° inclination scale	198.00	PM-5/1520D
CM 1015/2025 PA	Prismatic. Height scales for 10, 15, 20 & 25 distances from object to be measured	229.90	N/A
CM 1015/2025 PA REL	As above, but fitted with Relascope for estimating forestry timber volumes	258.50	N/A
<b><u>'CLINO MASTER CLINOMETERS</u></b>			
CM 360% LA	Lensatic. 0-90° and % scales	198.00	PM-5/360PC
CM360% LGA	As above, but fitted with protective rubber cover	211.20	N/A
CM SEC% LA	Lensatic. Secant and 150% scales	189.20	PM-5/SPC
CM 360% PA	Prismatic. 0-90° and % scales	229.90	N/A
CM 360% PGA	As above, but fitted with protective rubber cover	243.10	N/A
<b><u>'QUARRY MASTER' CLINOMETER</u></b>			
CM 90-0 LA	Parallax free lensatic sight. 10x magnification. For measuring downward angles of bore holes	127.60	N/A
<b><u>'SIGHT MASTER' COMPASSES</u></b>			
SM 360 LA	Lensatic. 360° reciprocal scales	163.90	KB 14/360R
SM 360 LGA	As above, but fitted with protective rubber case	176.00	N/A
SM 360 LAT	Lensatic. 360° reciprocal scales. Trit/Beta illum	206.80	KB 14/360RT
SM 360 LGAT	As above, but fitted with protective rubber case	218.90	N/A
SM 360 LA/LU	Lensatic. 360° reciprocal scales. Battery light unit	217.80	KB 14/360RB
SM 360 PA	Prismatic. 360° reciprocal scales	195.80	KB-77 360RL
SM 360 PGA	As, above but fitted with protective rubber case	207.90	N/A
SM 360 PAT	Prismatic. 360° reciprocal scales. Trit/Beta illum	237.60	N/A
SM 64 LGA	Lensatic. 6400 military reciprocal scales. Fitted	176.00	N/A
SM 360 LGAT	As above, but featuring Tritium/Beta illumination	218.90	N/A
SM 360 LMG	Lensatic. Rust-proof ABS body. 360° reciprocal scales. Fitted with protective rubber cover	94.60	KB-20 360R
<b><u>'LASER MASTER'</u></b>			
23LM	Precision lensatic compass & calibrated laser dot sight for following straight lines in terrain. With carry case, reflective vest & protractor	742.50	N/A
21BP	Bevel Protractor for Laser Master	12.05	
21RF	Reflective vest for Laser Master	54.95	
2333055	Non-magnetic Monopod (#71575-10)	121.00	

### **'SURVEY MASTER' TWIN COMPASS/CLINOMETERS**

		<b><u>RRP</u></b>	<b><u>Suunto Equiv</u></b>
SUM 360%/360 LA	Lensatic. Clinometer with 90° & 150% scales. Compass with 360° reciprocal scales	372.90	TWIN 360R/PCL
SUM 360%/360 LA/LU	As above, but with battery powered light unit	517.00	N/A
SUM 360%/360 PAT	Prismatic. Clinometer with 90° & 150% scales. Compass with 360° reciprocal scales. Fitted with Tritium/Beta illumination	514.80	N/A

### **PROTECTIVE CASES**

21RCL	Rubber cover #70215-1for lensatic models	13.15	N/A
21RCP	Rubber cover #70215-2 for prismatic models	13.15	N/A
21SCS	Imitation leather case for all CM & SM models	13.15	N/A
21SCL	Imitation leather case for SUM models	16.45	N/A
21LCS	Leather case for SUM 360%/360 LA	37.40	N/A

### **SPARE BATTERIES & LIGHT UNITS**

21BLU	Battery #70195-9990 for LA/LU models	14.85	
21LLU	Light unit #70187-9992 for LA/LU models	40.65	

### **REFERENCE STANDARD LATHS FOR LA/DP MODELS**

RS25	For 10m to 25m distances from measured object	40.65	
RS50	For 10m to 50m distances from measured object	64.90	

### **BRUNTON POCKET TRANSIT COMPASSES**

235010	GEO Transit 5010 (#71520-5015)	872.30	
232061	Conventional Transit 2061 (#71500-0005)	710.60	
235006LM*	International Transit 5006LM (#71520-0000)*	710.60	
235008	Com-Pro 360° Transit 5008 (#71530-0005)	426.80	
235007	Com-Pro 4x90° Transit 5007 (#71530-0605)	426.80	
232200	Cadet Transit (#71550-0605)	157.30	

### **TRANSIT ACCESSORIES**

233040	Ball & Socket Head (#71575-40)	138.60	
233051	Non-magnetic Tripod (#71575-20)	302.50	
2330210	Leather Case for Tripod (#71570-20)	283.80	
233060	Jacob Staff Thimble (#71575-30)	31.90	
233000B	Leather Transit Case (#71570-10)	29.70	
233055	Non-magnetic Monopod (#71575-10)	121.00	
233070	Alidade Protractor (#71580)	58.85	

**All SILVA & BRUNTON Transit compasses are custom balanced for the Australian magnetic zone ensuring the needle lies as level as practically possible.**

- **\*However, if Brunton Transits are to be used in other countries as well as in Australia, then the 5006LM International Transits are recommended, as the needle has a lower centre of gravity and the dip is less noticeable when used outside Australia.**
- **CUSTOM NEEDLE BALANCED MODELS FOR ANY WORLD LOCATION ARE AVAILABLE ON REQUEST**

**Australian Distributors:-
